Hi Albi,

I was not aware of this request of LASAN, not sure why not?

Hello Robert and Jonathan,

Great to e-meet you and I hope this message finds you in good health. Our office met with Stan about trying out eCube bins in front of our district office and on Western & Expo. During this trial period, our office would like to know what is the process of having LASAN doing the service on these bins. How can we get started?

Best,

Hi Stan, CD8 will have to reach out to LASAN regarding this project. I cc'd my Div Manager Robert Potter on this email and he would a good contact for CD8.

Hi Jonathan, I hope you and your staff are staying safe and healthy, I know that proper sanitation efforts never slow down!

I am working with Albi in CD8 on 2 upcoming bin trials.

One will be at their new HQ on South Vermont and a follow on trial at the Exposition and Western location transit area.

What is the process that needs to happen to get your approval on both the locations and LASAN pickups?

Thanks for your guidance,

Stan
